This will acknowledge receipt of your letter relating to the above-captioned subject.

We are pleased to authorize your event as per our memorandum D8-1-2 and to grant you use of the **Portal to Portal** system .In this respect, please be advised that your company will be allowed to import goods under the privileges of tariff item 9993.00.00.00 but subject to a deposit equal to the amount of duty and taxes normally payable, which is refundable when the goods are exported under customs supervision at the termination of the exhibition.

The goods imported under tariff item 9993.00.00 must meet the following conditions:

- not to be sold, leased or manufactured while in Canada;
- be imported in no greater quantity than is reasonable for their intended use.
- be exported upon the departure of the importer, or at the date mentioned on the temporary importation permit.

However, advertising matter and souvenirs imported by exhibiting companies will be subject to duty and taxes applicable.

Should your organization invite guest speakers, we suggest that you verify their admissibility with Citizenship and Immigration Canada (514-496-1010).

An updated list of firms authorized to display their goods at your exhibition is to be provided before the opening.

Your exhibitors should contact their local Customs office prior to re-importation to determine proper procedures.

Should you require further information, please do not hesitate to communicate with the undersigned.

We wish a great success to your event and a happy visit in Montreal for your outside delegates and exhibitors.

Yours truly,

Andre Legault / Coordinator
